- **Login Screen**

- Upon entering the correct credentials, the admin will successfully log in and be directed to the dashboard.

- **Dashboard –**

- On the dashboard, the admin can view the following statistics: the number of active companies, active Employers , active candidates, and open jobs.
- A line graph displaying statistics on new jobs, new candidates, and interviews is available.
- Statistics tiles show trends with up and down arrows for today's interviews, upcoming interviews, interview history, and new candidate registrations.
- An upcoming interviews section is provided.
- A missing interviews section is available.
- A bar graph categorizing data into <7 days, <30 days, <60 days, and 60+ days is presented.
- Admin also approves or rejects the register employers.

The screenshot displays the OpenWorx Admin Dashboard with the 'Employer Approval Pending List' table. The table has columns for Name, Company, City, State, Email, Phone, and Accept / Reject. The data is as follows:

Name	Company	City, State	Email	Phone	Accept / Reject
James Han	Tally Soft	Phoenix, Arizona	iswaturapatirao+45@gmail.com	(654)-378-9201	☒ ☐
Pramod Turakane	Sai	Alberville	pramodt22052024@gmail.com	(852)-852-8528	☒ ☐
Gaurav Patel	Zebra IT Services	Bostonia, California	duffel_jujitsu0j+1@icloud.com	(111)-111-1111	☒ ☐
employer three	three	Albany, New York	employertthreeqa@yopmail.com	(343)-434-3430	☒ ☐
Nyra Amar Employer	Nyra IT & Web Solution	Washington, Arkansas	amaryelmar11+101@gmail.com	(888)-877-7444	☒ ☐
Amar Employer	Zebra IT Services	New York, New York	amaryelmar11+1@gmail.com	(232)-321-3131	☒ ☐

- **Candidates** - The administrators register candidates on behalf of individuals who cannot register themselves.
- Candidate buttons redirect to a fresh form to create a New Candidate profile.
- In the Candidate list, there should be a table with columns that are as follows -
 - **In Action Column**
 - Edit Profile
 - Send/Resend Invitation mail.
 - In the action column admin not able to do any action while candidate creates registration.
 - View - to view the candidate profile details as per the profile.
- If we are going to create any candidate using the registration page, then add the source column as `registration` or using admin add candidate then add source as `Admin`.
- On click of Edit Profile button. Admin will redirect to same profile page with pre-populated data.
- Upon successful registration by administrators, automatically generate and send an email to the registered user.
- Added the filters to search existing candidates and their data.

• Master –

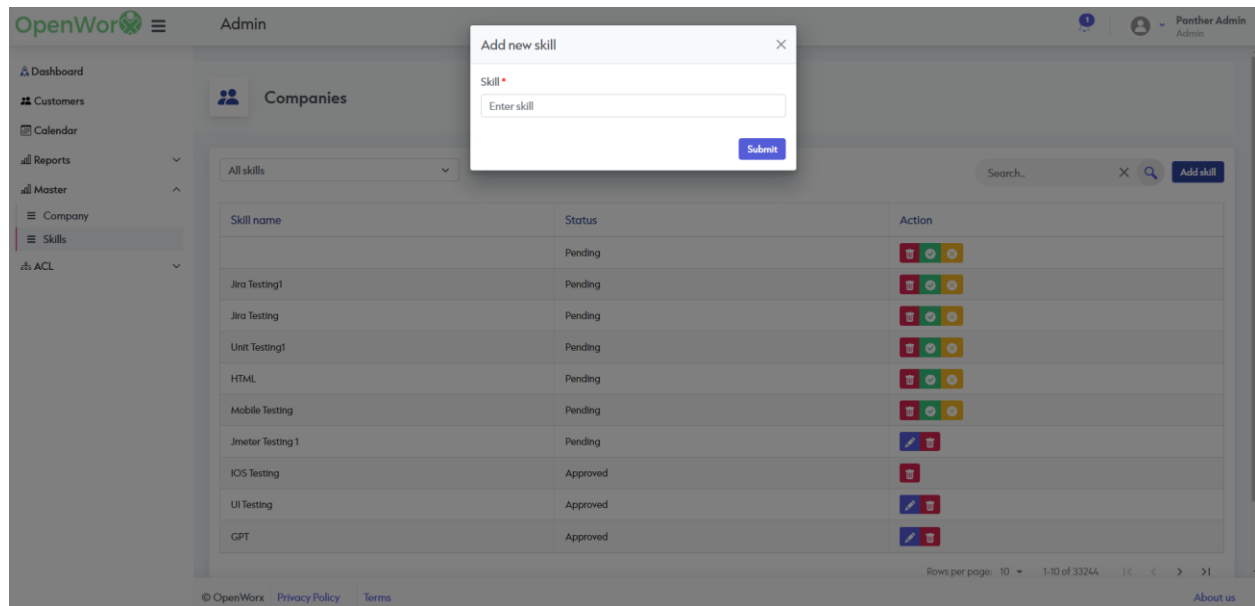

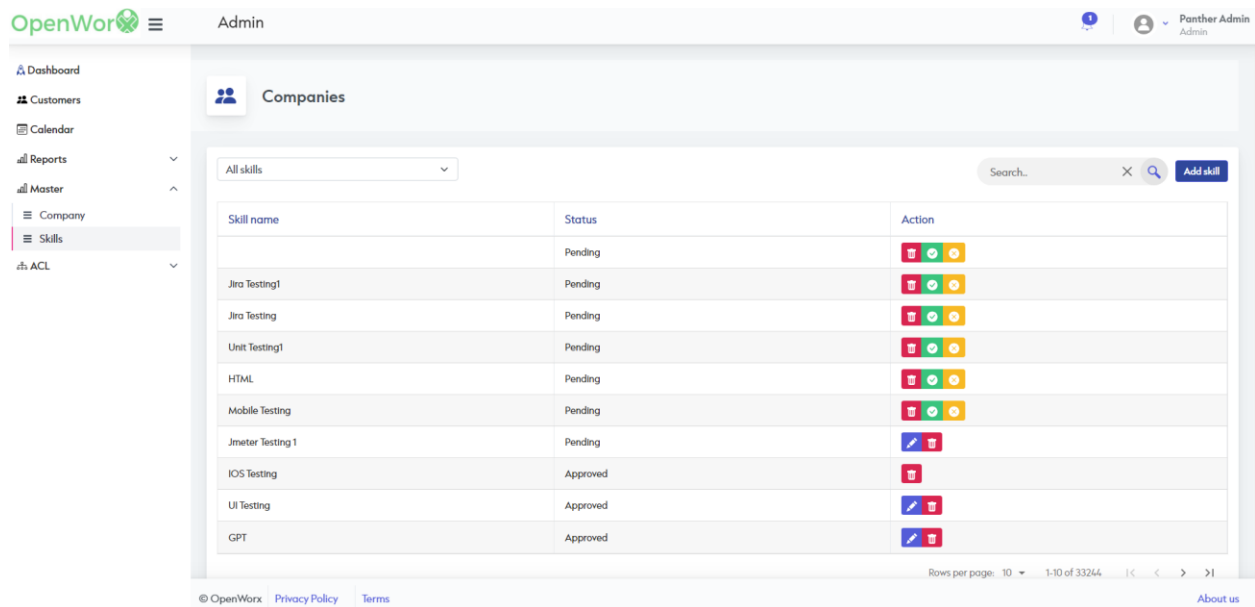

- Company – The admin will add a new company.

The screenshot shows the OpenWorx Admin interface with the 'Companies' section. A modal window titled 'Add new company' is open, displaying a form with the following fields:

- Company * (text input)
- Industry (text input)
- Description (text area)
- No of employees (dropdown menu)
- Phone (text input)
- Email (text input)
- City, State * (dropdown menu)
- Country * (dropdown menu)
- Zip code (text input)
- Address (text input)
- Upload logo (file upload area with text: 'Try dropping some files here, or click to select files to upload.'

The form has a 'Submit' button at the bottom right. The background shows the 'Companies' list with a search bar and a table with columns for Company and Industry.

- Skills – The admin will add new skills and approve reject and delete skills.

- Subsidiaries – To add a sub-company under the main company.
